Please request written evaluations from two individuals familiar with your academic and research backgrounds and goals. Evaluation guidelines for evaluators are as follows: The evaluation should be completed by an individual (other than a faculty member of the course) who is able to evaluate:

a) The applicant's professional experience
b) His/her commitment to the field of the course
c) His/her scientific abilities (creativity, imagination, curiosity, initiative, skills)
d) His/her overall potential for success in applying the course contents in his/her professional career
e) His/her ability to work in a group

GeoBiology 2022 will only be of value to students with a serious commitment to science and with the ability to benefit from a very intense learning experience. Success depends heavily on student's initiative and cooperation with other students. Please comment on the applicant's ability to interact cooperatively with others. Evaluations should be sent directly to Julie Lee (GBcourse@gps.caltech.edu) and must be received by February 7, 2022.

Please provide the name, institution and e-mail address of the two individuals whom you have asked to submit evaluations.
